

**An informal consultation about our proposal to
develop a special educational needs unit within
Brockholes Wood Community Primary School, Brant
Road, Preston, Lancs, PR1 5TU**

December 2024

This is an informal consultation about making a prescribed alteration to a school in accordance with The School Organisation (Prescribed Alterations to Maintained Schools) (England) Regulations 2013.

We are seeking your initial views about a proposal to create a special educational needs (SEN) unit within Brockholes Wood Community Primary School.

We want to assure you that we will give careful consideration to all your comments and opinions. We will use your feedback to develop our proposal ready to take to the next stage of formal consultation.

This is a legal requirement in order to make changes like this to a school.

What are we planning to do?

The proposal is to create an SEN unit for up to sixteen children with special educational needs in Brockholes Wood Community Primary School.

All of these children will have education, health and care plans. Some of these children will transfer from another school to Brockholes Wood Community Primary School so that they can attend the SEN unit.

Children attending the SEN unit will be taught in the unit for some of the time and at other times when appropriate they will be taught with other children in existing classes.

All children already on roll at Brockholes Wood Community Primary School will still be able to attend the school and this change will not affect current admission criteria and numbers.

Why are we doing this?

To give families more choice about the type of school they would like their child to attend.

To make sure there is specialist support and enough special school places for all children with special educational needs.

Existing pupils, whether or not they have special educational needs, will benefit from the specialist knowledge of staff working with children in the SEN unit leading to an overall improvement in the quality of teaching throughout the school.

There is a particular need for SEN units in the Preston area.

What will happen next?

Careful consideration will be given to all responses that are received on or before 20th December 2024.

These responses will be used to inform us how to develop this proposal, ready for a formal consultation that is needed to make a change like this to a school.
